GeoXT® 6000 Series Handheld Conversion Special

Convert your existing GeoXT to the new Geo-Explorer® 6000 series GeoXT handheld, with Trimble® Floodlight™ satellite shadow reduction technology for improved field efficiency. With or without the optional cellular modem, the trade-in value is \$1,250 off the GSA contract price of the relevant GeoXT model. This promotion is available until March 31, 2012.

New GeoExplorer 6000 Series GeoXT

- Windows® Mobile 6.5
- Integrated 5 megapixel camera
- Big, bright 4.2 inch display – even in direct sunlight
- Lightning-fast processing power and expanded storage
- 220 channel GNSS receiver with optional Floodlight satellite shadow reduction technology giving unprecedented satellite availability and accuracy in difficult conditions.
- Optional (at time of purchase) integrated cell modem for live internal or VRS connectivity.

Take advantage of this limited offer to have the most powerful GIS mapping solution currently offered.

Contact us for a price quotation and complete terms and conditions at (208) 324-8006 or elecdata@elecdata.com.

*Other Trade-In offers available.
